S-9 SANITISING ELECTRIC SPRAYER

Meeting the demands
that the professional
first-responder
sanitising contractor
faces.

S-9 SANITISING ELECTRIC SPRAYER

The **S-9 Sanitising Electric Sprayer** has been designed to meet the demands that the professional first-responder sanitising contractor faces. It's delivered as a totally stand-alone unit that's ready for immediate use (the only extra is the appropriate disinfectant and a power source).

CONSIDER THESE ADVANTAGES

- Rapid deployment
- Tough construction copes with rigorous on-site situations
- Wheeled carriage allows for easy handling by operatives
- 30m hose ensures minimum movement of machine - set up, and it's simple to work on sanitising within the reach of the hose with only the gun in your hand
- Includes a specifically designed spray tip that ensures maximum surface coverage and fogging
- Full 2-year manufacturer's warranty

The **S-9 PACKAGE**

- 240 volt machine complete and ready to go for all sanitising procedures
- 30m hose for maximum flexibility
- Spray lance to ensure reach into those otherwise hard to-get-at areas
- Ergonomically designed gun to minimise hand and wrist fatigue
- Specific sanitisation spray tip to ensure correct atomization

SPECIFICATION

Weight	35.0 kg
Motor	1300 watt
Warranty	2 years
Product Code	S9-240
